“Storm Coming...”

Hello again, friends,

We wanted to let everyone know that according to the weather channel we have a typhoon crossing Mindanao Island within a few hours. It is noon Friday December 16th and by this evening the storm will (according to the newscasters) be here. We are prepared to lower the tent if it gets too strong. The last storm and it wasn't even a typhoon caused intense flooding over the roofs of some of our families homes, killing 37++.

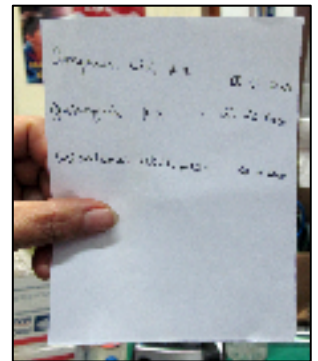

This typhoon is to come through Davao City tonight.

Pray for the safety of our families, most have no resources to prepare for a disaster, and no place to go for refuge other than the poor shacks they call home.

The poor get hit the hardest!

We will keep our cell phones handy and be as prepared as best as possible to respond to any calls of distress. Our first line of defense is Jesus, even the children who come to Family Circus know to call on him in times of trouble.

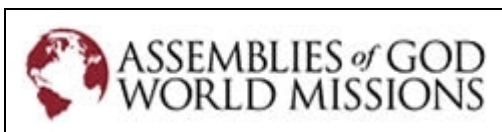

Earlier this week when faced with a mother as she holds in her hand a list of medicines (\$9) needed for her sick child, the doctor says that antibiotic will help save the baby's life... without it...? 1st we pray for the baby, then as God helps us we assist purchasing the antibiotic and medicines needed. The choice is clear:

When we love God - we obey and love our neighbors - starting with the children... Love is demonstrated through action... That's our choice.

Love & Prayers may we all remember the Reason for the Season, Praying you all have a Merry Christmas
